ACADEMIC PROJECTS / PERSONAL PROJECTS

AI Comparison and Research — July 2026 – Present

- Analyze and compare AI platforms, including Amazon Alexa, ChatGPT, and Google Gemini, to evaluate their responses to diverse questions, prompts, and conversational scenarios.
- Personalize and test AI tools to identify their strengths, limitations, and effectiveness cross various tasks and identifying which platform is best suited for specific use cases.
- Investigate potential confirmation bias in AI-generated responses by examining how outputs vary based on topic, wording, and conversational context.

Mentage Collaboration with Pace University — January 2026 – May 2026

- Conducted competitive analysis for Mentage, comparing their app to those currently on the market to see where their app stands out among the others, in order for them to make necessary adjustments before app release.

PROFESSIONAL EXPERIENCE

Target — Riverdale, NJ
Visual Merchandiser — Dec 2015 – Aug 2025

- Created and maintained visually appealing sales-floor displays, coordinated product presentations, and executed visual merchandising guidelines to drive customer engagement and support increased sales.
- Collaborated with store leadership on merchandise placement, rebranding, and remodeling initiatives to enhance the overall shopping experience and meet company standards.
- Delivered exceptional customer service by handling transactions accurately, resolving customer concerns with empathy and problem-solving skills, and effectively managing priorities in a fast-paced retail environment.

Hot Topic — Wayne, NJ
Key Holder — Jun 2012 – Dec 2015

- Managed cash handling and transactions while maintaining accuracy and accountability in a high-volume retail environment.
- Delivered exceptional customer service, promoted products based on customer needs, and maintained a clean, organized, professional storefront.
- Supported and supervised sales associates, prioritized daily tasks, and ensured store operations were completed efficiently and accurately.

LEADERSHIP

The National Society of Leadership and Success (NSLS), Social Media Chair — Aug 2022 – May 2023

- Managed and maintained the Ramapo NSLS chapter's social media platforms, developing engaging content to increase student awareness and enrollment.
- Created promotional materials, including interactive videos, social media posts, Snapchat content, and event flyers.
- Collaborated with executive board members to develop creative engagement strategies and coordinated outreach to qualifying students through NSLS invitations.

ACTIVITIES

Promethean, Contributor — April 2015

- Submitted graphic design work to be featured in the article.
